

A Short Prayer for Healing

Dear Lord,

I come to you now with open hands and an open heart. You are the God who sees me, so you know how I have been suffering.

Lord, please heal me.

Allow Your Holy Spirit to work in me so that my body functions as it should. Yet, I also ask that You would use me to glorify Your name.

I choose to trust You and Your plan for my life. Work it all out, Lord, for my good and Your glory.
I love you.

In Jesus name, Amen.
